

For Website Users: Adding Twitter

To add your Twitter feed to the website, follow the steps below:

- Log in to an account with website editing rights and select the option to edit the website.
- In this website editing view, select the blue website settings options here.

- Add your Twitter name in the 'Twitter screen name' box

Website Settings

Twitter screen name

Facebook ID

Analytics ID

Homepage Important Message Bikeability for year 6 starts on Monday 11th July.

Website translation

Dropdown menus

SAVE

- Save your changes

Your Twitter feed will now be linked to your school homepage, but please note that protected tweets will not be able to display on the feed, they will need to be public for these to feed through to the homepage of your website.
